## **INSTRUCTION OF FILLING IN** **(ONLINE) LEARNING AGREEMENT** **ERASMUS+ PROGRAMME AND BILATERAL AGREEMENTS**

*Learning Agreement* is an agreement which a student signs with his/her home university and a foreign university before leaving with regard to his/her study programme abroad. On the basis of the list of available subjects at a foreign university, the student chooses the ones that are most similar to the subjects he/she is studying at the Academy in Wrocław – **the choice is made jointly with the Academy's Departmental Coordinator**. If the list of subjects is not available on the foreign university's website, please contact the university's coordinator directly and ask for it. In order to complete the semester a student needs **30 ECTS** (Erasmus+ Programme)/ **a minimal number of local points** needed to complete the semester (Bilateral Agreements).

The list of the Academy's Departmental Coordinators is available [here](#).

If you have any doubts, please contact the [International Relations and Promotion Department](#).
